

# HEARTS AROUND HARTZ

## SMALL TOWN, BIG HEARTS

HEART #14

ARTIST: SUZANNE GAYLE

### Artist's Inspiration:

“Living and working on public art projects has given me the opportunity to meet many people throughout the Bay Area and appreciate the unique gift each meeting offers. The styling of my design is an addition to my Neon Jungle series using whimsical patterns and vibrant colors to honor this diversity and symbolize how it takes all of us to work, live and play together, to create a harmonious community. For my Heart design I wanted to add to the theme by using the variety of the keys to also represent the characteristics that makes each individual special. The shape, color, size and placement all help you find your favorite. Which is the key to your heart?”
